Re: *Khan v. United States*, 21 Civ. 1757 (JPC)

Dear Judge Aaron:

I represent the United States (the "Government") in the above-referenced case. The parties in this matter have a settlement conference scheduled before Your Honor on June 14, 2021. At the time the Court scheduled the settlement conference, the Government anticipated it would be in possession of all of Plaintiff's relevant medical records. However, the Government is still awaiting documents from certain of Plaintiff's medical providers that are required for the Government to prepare for and meaningfully engage in settlement discussions. Accordingly, the Government respectfully requests that the Court adjourn the settlement conference without prejudice for the parties to renew at a time when they have all the relevant documentation.

Thank you for your consideration of this request.

Respectfully,
AUDREY STRAUSS
United States Attorney
